Price List and Terms and Conditions

of educational programmes and services provided online under the trade name EUVERSA (virtual university)

Institute of Technology and Business in Prešov

Art. 1 Subject Matter

This document sets out the payments for lifelong learning programmes and related services which the Institute of Technology and Business in Prešov (hereinafter "VŠTE in Prešov") sells online under the trade name "EUVERSA" (in full "Euversa — European University of Applied Sciences") via the EUVERSA website, and the framework terms and conditions of their sale; the contracting party and the recipient of all payments is always VŠTE in Prešov. It does not apply to tuition fees and fees in study programmes delivered by the face-to-face method, which are governed by Directive VŠTE No. 24/2026 Determination of Tuition Fees and Fees Associated with Studies and Directive VŠTE No. 25/2026 Determination of Tuition Fees and Fees Associated with Studies for Foreign Students (hereinafter the "tuition fee directives"); in study programmes delivered by the distance method, the tuition fee is determined in accordance with this price list (Art. 2a of the tuition fee directives). The fees in the rigorosum procedure set by the tuition fee directives are stated in this document together with their due dates and refund rules (Art. 3a). Decisions on payments under this document, their amount and the form of payment are made by the Board of Trustees of VŠTE in Prešov.

Art. 2 Single-Payment Principle

1. The basic payment of a lifelong learning participant and of a student of a study programme delivered by the distance method is the payment for a course. The price of a course includes: access to the electronic course in the e-learning environment of VŠTE in Prešov in all language versions, assessment including the online examination (Directive VŠTE No. 27/2026 on Online Examinations and Identity Verification), issue of the document on the learning outcomes achieved (micro-credentials), enrolment, recognition of credits obtained in educational programmes of VŠTE in Prešov, and electronic transcripts and certificates of study.

2. Final thesis courses (final thesis seminar, the final thesis and its defence) are paid in the same way as other courses, according to the number of courses set by the study plan.

3. In addition to payments for courses, only fees expressly governed by the Higher Education Act are charged: the fee for the material provision of the admission procedure (due upon submission of the e-application for study) and fees for acts under the Act (issue of documents of study and copies thereof, documents of completion of studies in a foreign language in paper form, recognition of the equivalence of documents of study, acts of the rigorosum procedure under Art. 3a) in the amounts set by the tuition fee directives. No other fees are charged; VŠTE in Prešov may only charge the actual costs of above-standard services expressly requested by the participant or student (in particular paper copies and postal delivery of documents).

Art. 3a Rigorosum Procedure

1. VŠTE in Prešov conducts the rigorosum procedure online and electronically in accordance with Directive VŠTE No. 38/2026 on the Rigorosum Examination and Directive VŠTE No. 27/2026 on Online Examinations and Identity Verification. The fees in the rigorosum procedure are set by the tuition fee directives (Section 99 of Act No. 300/2025 Coll. on Higher Education and on Amendments to Certain Acts); an applicant who is a national of the Slovak Republic, the Czech Republic or another Member

State of the European Union, an EEA State or Switzerland pays the fees under Directive VŠTE No. 24/2026, other applicants under Directive VŠTE No. 25/2026.

2. The fees are paid in three successive steps: (a) the fee for the submission of an application for the rigorosum procedure – EUR 150 (other applicants EUR 200) – is due upon submission of the electronic request and application; (b) the fee for acts associated with the organisation of the rigorosum examination – EUR 650 (other applicants EUR 700) – is due only after the application has been approved by the Rector of VŠTE in Prešov, within the time limit stated in the notice of approval; the rigorosum procedure begins with the payment of this fee; (c) the fee for the issue of the diploma conferring the degree of PhDr. – EUR 150 (other applicants EUR 200) – is due after the rigorosum examination has been passed, no later than before the diploma is issued. The fee for a change of the date of the rigorosum examination at the applicant's request is EUR 200; it is not charged if the date is changed for reasons on the part of VŠTE in Prešov.

3. The fee for acts associated with the organisation of the rigorosum examination includes the accompanying electronic course with the AI consultant, the appointment of a supervisor at the applicant's request, the preparation of the reviews, the online rigorosum examination including the defence of the rigorosum thesis, and the electronic record of the rigorosum examination; no payments other than those under paragraph 2 are charged in the rigorosum procedure. Art. 6(1) and (2) do not apply to fees in the rigorosum procedure.

4. Fees paid in the rigorosum procedure are not refunded (Article 10(6) of Directive VŠTE No. 38/2026 on the Rigorosum Examination), including where the application is not approved or is withdrawn, where a further fee is not paid within the set time limit, where the rigorosum procedure is terminated at the applicant's request, or where the result of the rigorosum examination is unsatisfactory. The fee for the organisation of the rigorosum examination is paid only after the application has been approved; if the Rector does not approve the application, it is not charged. If VŠTE in Prešov is unable to conduct the rigorosum procedure for reasons on its part, it refunds to the applicant the fees for acts it has not yet performed.

Art. 4 Order and Access to the Course

1. Orders are placed electronically via the EUVERSA website; the contract between the buyer and VŠTE in Prešov is concluded at the moment the order is confirmed and the price is paid. Before submitting the order, the buyer confirms that he or she has read the terms and conditions.

2. Access to the electronic course in the e-learning environment of VŠTE in Prešov is granted automatically without undue delay after the payment has been credited or confirmed by the payment gateway; the participant automatically receives an electronic order confirmation and an electronic invoice or payment receipt (Art. 5(3)).

3. The authoritative version of the terms and conditions for foreign buyers is the English version published on the EUVERSA website; the other language versions are for information only.

Art. 5 Payment Terms

1. Prices are stated in euros. Payments are made via the payment gateway on the EUVERSA website, on the website of VŠTE in Prešov or in the e-learning environment of VŠTE in Prešov (payment cards and local payment methods of the target markets) or by bank transfer to the bank account of VŠTE in Prešov

published on the website of VŠTE in Prešov (www.vste.sk); the variable symbol and other payment details are given there as well. Payments are made exclusively to VŠTE in Prešov; third parties are not entitled to collect them or to charge any surcharges on them.

2. Access to the course is conditional on full payment of the price. VŠTE in Prešov may allow instalment plans; the conditions are published on the EUVERSA website.

3. VŠTE in Prešov issues invoices and payment receipts in electronic form and delivers them to the buyer's e-mail address or makes them available in the buyer's user account; a paper copy is issued only at the buyer's request. Where payment is made via the payment gateway, the payment is matched automatically and proof of payment is not submitted.

Art. 6 Withdrawal from the Contract and Refunds

1. A buyer who is a consumer may withdraw from the contract within 14 days of its conclusion without giving any reason, provided that within this period he or she has not accessed the course content beyond the introductory (freely accessible) module; in such a case the full payment is refunded.

2. Where course content beyond the introductory module is made available before the expiry of the period under paragraph 1 with the buyer's express consent, the right of withdrawal lapses to the extent laid down by the legislation on consumer protection in the supply of digital content.

3. In addition to the statutory rights, VŠTE in Prešov may grant a voluntary refund; its rules are set by the head of the Centre for Lifelong Learning after consultation with the Chancellor and are published on the EUVERSA website.

4. The payment for a course whose learning outcomes were recognised to the participant after enrolment in studies is deemed to be payment of the tuition fee for that course; repeated payment is not required.

5. In study programmes delivered by the distance method, paragraphs 1 to 4 apply instead of the provisions of the tuition fee directives on the refund of tuition fees (Art. 5.4 of the tuition fee directives); fees paid in the rigorosum procedure are not refunded (Art. 3a(4)). Refunded payments are remitted using the same means of payment as the buyer used for the payment, unless agreed otherwise, no later than 14 days after the withdrawal from the contract or the decision on the refund.

Art. 7 Third-Party Support Services

1. VŠTE in Prešov provides applicants and students with all acts necessary for admission, enrolment and study (e-application, electronic enrolment, electronic transcripts and certificates) without any further payments beyond the payments and fees under this price list.

2. VŠTE in Prešov may refer on the EUVERSA website to voluntary support services of an independent recruitment partner (in particular assistance with compiling documents and the application, support with residence and arrival, ongoing procedural support). These services are always presented as optional services of a separate partner; they are neither a condition nor a guarantee of admission, enrolment, study, the granting of a visa or residence, and the applicant or student may carry out the same acts independently and free of charge. Any personal or ownership links between the partner and VŠTE in Prešov or the EUVERSA project are expressly disclosed in the references (disclosure).

3. The prices of support services are set and collected by the partner on its own account; they are not part of the tuition fee or of the payments under this price list and may not be presented as a surcharge on them. VŠTE in Prešov pays the partner no commissions or other remuneration for intermediation and accepts no payments from the partner; the mutual rights and obligations are governed by the partnership agreement.

Art. 8 Final Provisions

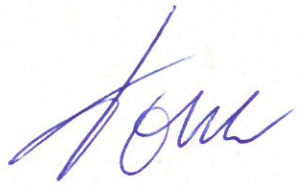

1. This document was approved and issued by the Board of Trustees of VŠTE in Prešov on the proposal of the Rector (Section 31(2)(g) of the Act) on 29 October 2026.

2. This document enters into force on the day of its approval and takes effect on the day online sales are launched; it is published on the website of VŠTE in Prešov (www.vste.sk) and on the EUVERSA website.

3. The amounts of the fees under Art. 2(3) and Art. 3a are set by the tuition fee directives; they are stated in this document for information and, in the event of any conflict, the wording of the tuition fee directives prevails.

4. This document builds in particular on the tuition fee directives, Directive VŠTE No. 26/2026 on the Distance Method and E-Learning, Directive VŠTE No. 27/2026 on Online Examinations and Identity Verification and Directive VŠTE No. 38/2026 on the Rigorosum Examination.
